Home Language Survey

Massachusetts Department of Elementary and Secondary Education regulations require that *all* schools determine the language(s) spoken in each student's home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the District is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions. Thank you for your assistance.
