Pursuant to the provisions of Chapter 150E of the General Laws of Massachusetts THIS CONTRACT IS MADE THIS 1st day of July 2014, by the SCHOOL COMMITTEE OF THE TOWN OF WESTBOROUGH (hereinafter sometimes referred to as the Committee) and the WESTBOROUGH TUTORS' ASSOCIATION (hereinafter sometimes referred to as the Association).

I. RECOGNITION

A. It is understood and agreed that the COMMITTEE acting in accordance with the authority of Massachusetts General Laws, Chapter 150 E, has recognized the ASSOCIATION as the exclusive representative for the purposes of collective bargaining of the Westborough School Employees' unit identified as follows:

All regular day school tutors employed by the Westborough School Committee who hold certificates or waivers under Chapter 71 of the Massachusetts General Laws

Included within the category of waiver of personnel shall be those for whom an application for waiver has been filed and is still pending.

Excluded from the unit: the Superintendent and Assistant Superintendent, Director of Pupil Personnel Services, Principals, Supervising Assistant Principals, Fine Arts Coordinator, Computer Coordinator, Director of Athletics, teachers, substitutes and all other employees of the municipal employer.

B. Unless otherwise indicated, the employees of the above unit will be hereinafter referred to as the "TUTORS," and reference to tutors will include all tutors, both male and female.

II. RIGHTS OF COMMITTEE

A. The Committee is a public body established under and with powers provided by the statutes of the Commonwealth of Massachusetts, and nothing in this Agreement will be deemed to derogate from the powers and responsibilities of the Committee, the Superintendent or the building principal under the statutes of the Commonwealth or the rules and regulations of agencies of the Commonwealth. Except as otherwise provided in this Agreement, the Committee and/or the Superintendent retain the powers, rights and duties that they have by law. These powers, rights and duties include, but are not limited to, hiring, promoting, transferring, assigning and retaining employees; disciplining employees in accordance with statutory authority; establishing work schedules; controlling and supervising the schools, staff, students and properties of the Westborough Public Schools; and establishing policies, rules and regulations.

B. The parties recognize and agree that the provisions of this Agreement are intended to be given their full force and effect while at the same time they must be construed in accordance with the terms of the Education Reform Act of 1993 and any subsequent amendments thereto. Accordingly, and by way of example only, there may be instances where the parties have agreed the "Committee" is to act when, in fact, as a result of the Education Reform Act, the Superintendent and/or the principal(s) must now do so. It is the parties' intention that the

obligations of this agreement continue to be fulfilled even though the statutory powers to act may have been delegated to and must be exercised by persons and entities other than those named expressly herein.

C. The failure of the Committee to exercise any right or power hereby reserved to it, or the exercise by it of any such right in a particular manner, will not be deemed a waiver or a restriction of any such exercise of rights, nor a lack thereof.

III. GRIEVANCE PROCEDURE

A. DEFINITION

A "grievance" is hereby defined to mean a dispute involving the meaning, interpretation, or application of this contract.

B. PURPOSE

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the grievances which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. INFORMAL PROCEDURE

Nothing herein contained will be construed as limiting the right of any tutor having a grievance to discuss the matter informally with any appropriate member of the Administration and having the grievance adjusted without intervention of the Association provided the adjustment is not inconsistent with the terms of this agreement. Said tutor may require the Association to be present at such adjustment and to state its views.

D. MISCELLANEOUS

1. Failure at any step of this procedure to communicate the decision of a grievance within the specified time limits to the aggrieved employee and to the President of the Association shall permit the aggrieved party or parties to proceed to the next step.
2. Failure at any step of this procedure to appeal the grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
3. No reprisals of any kind shall be taken by any party of this contract against any party in interest, any witness, any member of the Association, or any other participant in the grievance procedure by reason of such participation.
4. A grievance that affects a group or class of tutors may be submitted in writing by the Association (who shall be considered the aggrieved party) to the Superintendent directly and the processing of such grievance shall be commenced at Level Two. Such Grievance

must be filed within twenty (20) school days from the date upon which the grievance is based.

5. If any employee covered by this contract shall present any grievance without representation by the Association, the disposition, if any, of the grievance shall be consistent with the provisions of this contract. The Association shall be permitted to be heard at each level of the procedure under which the grievance shall be considered.

6. Rights of Tutors to Representation - In the processing of a grievance at the level of the employee's principal or at any higher level, an aggrieved employee shall, if he/she so elects, be represented by or accompanied by an officer or member of the Association, or by an attorney, or any other person, and he/she shall call in witnesses to testify on the matter of his/her grievance. When a grievant does not elect to be represented by officers or members of the Association, the latter shall have the right, when and if the issue reaches the level of the Superintendent of Schools and thereafter, to appear at the hearing of the grievance in the presence of no more than three of its officers or members, and state or argue its views.

7. When a grievance arises, the grievance must be filed within twenty (20) school days from the day upon which the grievant knew or should have known of the event upon which the grievance is based. Any person may request and receive a receipt for the delivery of any communication.

E. FORMAL PROCEDURES

1. Introduction

a. Since it is important that the grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits, however, may be extended through a written memorandum of understanding signed by both parties to this agreement.

b. In the event a grievance is filed on or after June 1 which, if left unresolved until the beginning of the following year, could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as practicable.

2. Level One

A tutor with a grievance shall present it in writing to his/her Principal within twenty (20) school days from the date that the grievant knew or should have known of the event on which the grievance is based and the initial grievance must be specific to include the exact article and section alleged to have been violated and a statement of the circumstances of the incident which precipitated the grievance. The Principal shall answer said written grievance in writing within ten (10) school days. Any meeting with reference to the above shall be held during non-school hours.

3. Level Two

a. In the event that the grievance shall not have been disposed of to the satisfaction of the aggrieved employee at Level One, or in the event that no decision has been reached within ten (10) school days after presentation of the grievance to the Principal, the grievance shall be reduced to writing (including references to the Principal's written answer to the grievance and reasons for disagreement with the Principal's resolution of the grievance, which need not be elaborated but should be directly responsive to the issues at dispute) and referred to the Superintendent of Schools within five (5) school days of the disposition under Level One. If the subject matter of the grievance involves any action of the Superintendent or the building principal(s) pursuant to Chapter 71, Sections 38, 40, 41, 42, 42D, 43, 47A and 59B, and if the grievance has not been disposed of to the satisfaction of the aggrieved party, the aggrieved party within ten days of the decision through the Association, may initiate arbitration by giving written notice of its intention to the Superintendent.

b. The Superintendent shall represent the School Committee at this level of the grievance procedure. Within ten (10) school days after receipt of the written grievance by the Superintendent, he/she or his/her designee shall meet with the aggrieved employee in an effort to settle the grievance. The aggrieved employee shall have the right to be represented by a member of the Association at this level. The Superintendent shall answer the grievance in writing within ten (10) school days following said meeting.

4. Level Three

In the event that the grievance will not have been disposed of to the satisfaction of the aggrieved party at Level Two, and if the matter being grieved is subject to the authority of the Committee, or in the event that no decision has been rendered within ten (10) school days after the Level Two meeting, the grievance shall be referred in writing to the School Committee within five (5) school days of the disposition at Level Two. The appeal of the grievance shall contain references to the written answer by the Superintendent of Schools with reasons why the Superintendent's resolution of the grievance was not accepted, which need not be elaborated but should be directly responsive to the issues in dispute. At its next regular School Committee meeting, or at a special meeting called for the purpose of considering the grievance, the School Committee shall meet with the aggrieved party and the Association in an effort to settle the grievance.

5. Level Four - Arbitration

a. If the grievance involves a personnel matter defined in Section 3a and has not been disposed of under Level Two to the satisfaction of the aggrieved party, or if the grievance has not been disposed of under Level Three to the satisfaction of the aggrieved party,

he/she may, through the Association, not later than ten (10) school days after the decision rendered at Level Two or Level Three as the case may be, initiate arbitration of the grievance by giving written notice to the Committee of this intention.

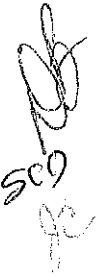

b. The Association and/or the Committee shall submit the grievance to the American Arbitration Association. The parties shall be bound by the rules and procedures of the American Arbitration Association currently in force. The decision of the arbitrator shall be final and binding upon the parties. The cost of the services of the arbitrator(s), including per diem expenses, if any, and the actual and necessary travel and subsistence expenses, will be borne equally by the Committee and the Association, but each party shall bear its own expenses for the presentation of the case.

c. Arbitrator's Decision

(1) When the dispute is submitted to the Arbitrator, as a result of the appeal of the grievance, the only items which the Arbitrator may consider are those mentioned in the grievance, unless the parties have by stipulation extended the scope of the arbitrator's authority to consider additional items not mentioned in the grievance.

(2) The arbitrator selected shall confer promptly with the representatives of the Committee and the Association, shall review the records of the case, and shall hold such further hearings with the aggrieved party and other parties of interest as he/she shall deem required.

(3) The arbitrator's award shall be in writing and shall set forth his/her findings of fact with reasoning and conclusions. He/she shall arrive at his decision solely upon the facts, evidence and contentions presented by the parties through the arbitration proceedings. The arbitrator shall have no power to add to, subtract from or modify any of the terms of this contract. Subject to the foregoing, the decision of the arbitrator shall be submitted to the Committee and the Association and shall be final and binding upon the Committee, the Association and the tutor or group of tutors who initiated the grievance. The decision of the Arbitrator shall be implemented as soon as is reasonably possible.

V. LEAVE

A. DEFINITION

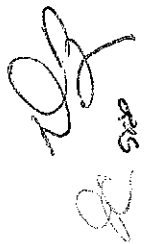

For the purpose of this Article, the term day shall be the equivalent of the number of hours worked per day.

B. SICK LEAVE

All tutors who are regularly employed as of 7/1/10 for 7 hours or more per day shall be granted 1.5 days of sick leave with full pay per month cumulative to 150 days. All tutors who are regularly employed as of 7/1/10 for less than 7 hours per day shall be granted 1.0 days of sick leave with full pay per month cumulative to 90 days. All tutors hired after 7/1/10 who are regularly employed for 7 hours or more per day shall be granted 1.0 days of sick leave with full pay per month cumulative to 150 days. All tutors who are regularly employed after 7/1/10 for less than 7 hours per day shall be granted prorated sick leave with full pay per month cumulative to 90 days. Said leave may be used for personal illness. Sick leave may be used for medical appointments and/or for dental appointments. No more than 10 sick leave days per year may be used for serious illness or injury of the employee's spouse or children or other relatives at the discretion of the Superintendent of Schools. Where a question regarding sick leave usage exists, medical certification of illness may be required.

C. SICK LEAVE BANK

1. The School Committee agrees to establish a sick leave bank for the use of tutors who have exhausted their accumulated and annual sick leave days and require additional leave because of serious extended illness. The School Committee will help start the sick bank by putting 100 days into the sick bank on July 1st 2011.
2. Only tutors who have completed three (3) full years of service and have worked a minimum of 10 hours per week shall be eligible to receive the benefits of this bank.
3. At the beginning of the school year, each tutor shall contribute the number of hours in his/her work day to the bank.
4. The total accumulated sick leave in the sick leave bank shall not exceed the equivalent of 200 7 hour days at any one time.
5. Employees who have accumulated sick leave shall be assessed one day's worth of hours each, above and beyond any hours given under Section C 3 in the event that the number of hours in the sick leave bank falls below 20 7-hour days during the school year.
6. These days set aside in the above bank will be used to provide employees in the bank extended sick leave at full pay upon exhaustion of their own individual sick leave in accordance with the terms provided herein.

Handwritten signature and initials in the bottom right corner of the page.

7. Employees may receive benefits of the sick leave bank subject to the following rules:
- a. The need to draw from the sick leave bank is based upon a serious and extended illness or injury.
 - b. Applications for benefits shall be in writing to the superintendent of schools accompanied by a doctor's certificate as to the need for extended recovery time for the illness. The doctor's certificate must also indicate the date by which the doctor anticipates the employee will be able to return to work. A copy of all applications to the sick leave bank, with employee name deleted for privacy, is to be sent to the tutor unit president for accountability and tracking purposes of the bank.
 - c. Application for benefits may be made prior to the employee's exhaustion of his/her own personal sick leave to expedite benefits, but drawing upon the bank will not actually commence until the employee's own sick leave benefits are exhausted, the employee has been absent without sick leave for 30 work hours, and adequate medical certification has been provided. If approved, the sick leave bank benefits will be retroactive to the first day of this absence after the employee's own sick leave is exhausted.
 - d. Hours drawn from the bank shall be actual work hours excluding weekends and holidays.
 - e. Maximum sick leave bank usage shall not exceed 75 days.
 - f. The employee requires additional leave to make recovery and return to work unless retirement or death occurs.
8. A five (5) member committee composed of two (2) representatives of the Association and three (3) school committee members or their designee shall administer the sick leave bank. The sick leave bank committee's decision is final and binding and not subject to the arbitration provision of this agreement. A member whose request has been denied by the sick leave bank committee may resubmit the request with additional information within 10 days of the initial decision.
9. Upon return from extended sick leave for which benefits were received through the sick leave bank, the employee shall be entitled to and shall accumulate individual sick leave on the same basis as all other employees per the sick leave provisions for tutors.
10. Employees may not utilize the sick leave bank for illness in their immediate family. In the case of absence due to an industrial accident, the employer agrees to make up the difference between the employee's regular wages and the amount received from Workers' Compensation. Such difference shall be deducted from sick leave. If the question exists as to whether an employee is entitled to compensation under the Workers' Compensation Act, it is agreed that, pending resolution of said question, the employee may draw sick

leave benefits. The employee shall reimburse the town for the amount received from Workers' Compensation benefits for said period. Upon such payment to the town, sick leave credits equal to the amount of compensation shall be re-credited to the employee's sick leave accumulation.

D. FUNERAL LEAVE

In the event of each case of death in the immediate family of a tutor, he/she will be granted, at his/her request, reasonable necessary time off, on the days prior to the funeral, on the day of the funeral, or on the days after the funeral. Such leave will be without loss of pay to the extent set forth in the following schedules:

1. Death of a spouse, child, parent, brother or sister, relative living in the tutor's household, grandparent, grandchild, parent-in-law, or individual who serves in the capacity of parent, spouse or child: Five (5) days without loss of pay.
2. Death of a brother-in-law, sister-in-law, aunt, uncle or cousin: One (1) day without loss of pay. Additional funeral leave may be granted at the discretion of the Superintendent. An employee may elect to take one (1) additional day in a non-pay status or chargeable to available personal day leave at the employee's discretion.

Subject to necessary staffing, every reasonable effort will be made to facilitate staff representation for the funeral of a colleague or the immediate family of a colleague without the loss of personal or sick time.

E. PERSONAL DAY LEAVE

1. Tutors who are absent for essential personal business will be entitled to a maximum of three (3) days' leave per year. These three (3) days per year will not be accumulated from year to year.
2. Personal business is defined as essential personal matters that cannot be cared for during non-working hours.
3. Notification for personal day leave must be submitted to the building principal three full school days in advance of the date requested, unless the emergency nature of such leave precludes this action (Monday for a Friday leave, etc).
4. Personal day leave may not be taken to extend a vacation on days immediately preceding or following regular school vacations, Thanksgiving break or summer break.
5. Unused personal days will be transferred to sick days, not to exceed existing limits on accumulation.

R. S. C.

F. RELIGIOUS HOLY DAYS

Leave for the observance of religious holy days up to a maximum of two (2) days per school year will be allowed upon application, said leave not to be deducted from personal days leave or sick leave pay.

G. MATERNITY LEAVE

1. Pursuant to the Massachusetts General Laws Chapter 149, Section 105D, every female employee who has completed the initial probationary period of three (3) consecutive months is entitled to up to eight (8) weeks' leave for the purpose of giving birth, or for adopting a child, provided she gives at least two (2) weeks' notice of her expected departure and return dates. Such tutor is encouraged to provide the administration with as much prior notice as possible of her expected departure and return dates. Tutors who have completed one year of service may request a twelve (12) week Maternity Leave consistent with the Family and Medical Leave Act.

2. An employee intending to take a maternity leave of absence and who wishes to be eligible for a child rearing leave will notify the Superintendent of her approximate date of leave commencement and whether or not she anticipates taking a child rearing leave at least four (4) weeks prior to the anticipated commencement of the leave. Tutors are urged to give earlier notification, thus providing the Administration with additional time to secure a replacement and ensure continuity of instruction.

3. The pregnant tutor may continue in her assigned position as long as her physical condition and ability to perform her assigned duties allow. The Committee may require medical evidence of the tutor's ability to continue to work in the same manner that it may require medical evidence when questioning the health of a tutor in a non-maternity related situation.

4. During the disability periods due to pregnancy or childbirth, a tutor, upon a timely request for sick leave, is eligible to use sick leave to the extent of actual disability with documentation of a disability.

5. The tutor, upon completion of maternity leave, will be restored to the position she held when her leave commenced or to a substantially equivalent position, or will be granted a child rearing leave of absence in accordance with section G.

H. CHILDREARING LEAVE OF ABSENCE

A tutor will be granted a childrearing leave of absence without pay upon application. A tutor may return to his/her teaching duties at the start of the following school year in September or the subsequent September if he/she notifies the Superintendent in writing on or before February 1 of the school year in which the childrearing leave commenced. The Superintendent will send the

tutor a reminder letter by January 1. If both parents work in the Westborough Public Schools, only one at a time may take leave under the terms of this Article.

I. FAMILY AND MEDICAL LEAVE ACT

A tutor who has been employed for one complete year and who has satisfied all of the eligibility conditions under the Family Medical Leave Act shall be entitled to a leave of absence without pay for up to 12 consecutive weeks for birth, adoption, foster care placement of a child or if a serious health condition affects the employee or the employee's spouse, child or parent in accordance with the Family and Medical Leave Act.

J. OTHER LEAVES

1. Leaves of absence with or without pay may be granted by the Committee.
2. Leaves of absence without pay for a period of up to two (2) years may be granted to pursue other interests or to pursue alternative careers. All requests for such leaves must be submitted in writing to the Superintendent thirty (30) school days in advance of taking said leave. Leaves must commence at the beginning of the school year or at the January semester. Notification of intent to return must be in writing to the Superintendent by the previous February 1st. The Superintendent will send the employee on such leave a reminder by January 1st.

VI. HOURS AND OTHER CONDITIONS OF EMPLOYMENT

A. TUTOR WORK YEAR

1. The work year for tutors is 184 days.
2. The work day for full-time tutors shall be seven (7) hours and included in those seven (7) hours will be a duty free lunch of at least 22 minutes. Also, the tutors will receive one (1) daily preparation period. The work day for part-time tutors shall be determined by the Superintendent.
3. A one (1) day orientation for new tutors, department heads and team leaders will be held during the week preceding the opening of school.
4. If a substitute is unavailable or in an emergency, tutors shall be required to substitute for a teacher during any part of or for a full work day. If a tutor is required to cover an instructional period of 43 minutes they will receive an additional \$10 for that instructional period. If a tutor is required to cover a 1 hour block, they will receive \$15 for the block. If a tutor covers a class for a half day (3 hours) they will receive an additional \$25 per day. If a tutor covers a class for a whole day he/she will receive an additional \$40 per day. Refer to Appendix D, Class Coverage Payroll Request.
5. The building principal may assign tutors hall duties.

B. VACANCIES

Bargaining unit members shall be given the opportunity to apply for promotional opportunities within the bargaining unit and Unit A. All said vacancies which the Committee intends to fill shall be posted for a period of five (5) school days and at all times such notice shall be sent to the Association President and the President of the Tutor Association. The Administration shall evaluate applications from all qualified bargaining unit members. Any tutor certified in the area of a vacancy who applies in writing shall be given consideration and interviewed by the appropriate supervisor or administrator designated by the Superintendent of Schools. Consistent with state and federal laws and in accordance with the policies of the Massachusetts Commission Against Discrimination, the parties to this Agreement agree that they will not discriminate against members of the bargaining unit because of sex, sexual orientation (as defined by law), age (as defined by law), race, color, religion, handicap, national origin, genetic information or other legally protected class.

C. SCHOOL ASSIGNMENT

When possible, prior to June 1, tutors will be notified of their tentative program for the following year, including the school assignment and grade level(s).

D. INVOLUNTARY TRANSFERS

When the Superintendent determines that an involuntary transfer is necessary, and that it is in the best interest of the students, the Superintendent will meet with the tutor and the WEA/MTA representative to explain the reason(s) at least 10 school days prior to said transfer unless an emergency situation arises during the school year in which case notice will be provided as soon as reasonably possible, or before June 1st if the transfer is effective for the following school year.

VII: TUITION REIMBURSEMENT

A. The Administration agrees to allow tutors to participate in appropriate in-service courses or workshops as determined by the Superintendent. In addition, consistent with the increased training mandated for tutors, the Committee agrees to provide up to three (3) in-service education opportunities for members during each contract year.

B. A tutor will be awarded \$100.00 for each 3 credit college or in-service course after the effective date of this contract with prior approval of the Superintendent or his designee. Payment will be made upon proof of satisfactory completion.

Handwritten signature and initials in the bottom right corner of the page.

VIII. REDUCTION IN FORCE

In the event it becomes necessary for the superintendent to reduce the number of employees in the bargaining unit because of financial limitation, decrease in pupil enrollment, or changes in the curriculum or reorganization, the procedures set forth in this Article will govern the layoff and recall of employee, within their designated discipline, who are affected by any such reduction. For the purpose of this article the discipline is defined as either Math Plus or ELL.

1. The superintendent will attempt to meet the reduction in force by natural attrition.
2. If attrition does not meet the demands of the reduction, layoffs shall be determined by order of seniority. Any senior tutor who has completed three years of service and is being laid off is entitled to a meeting with the principal to discuss the decision and all reasons behind the decision. The tutor may also request time to acquire the qualifications that would make him/her appropriate for the discussed position.
3. Exceptions to seniority may be made:
 - a. When it can be demonstrated through timely written documentation that the performance of a senior tutor is less than satisfactory. Such senior tutor must have received at least one previous, unsatisfactory, written report of performance.
 - b. A junior tutor holding a relevant teaching degree must be retained to preserve an existing program or service to students for which a senior tutor who has completed three years of service cannot readily acquire and demonstrate the skills required for the position.
4. If an individual next on the seniority list, but not targeted for reduction, does not accept a transfer into a position to be vacated by a junior employee who has been targeted for reduction, that senior individual shall be laid off and placed at the end of the recall list. This language will not apply to an individual who obtains a leave of absence.
5. Seniority shall mean length of continuous service in years and number of days in a paid position covered by the collective bargaining unit. Members who work 20 hours or more for greater than 50% of the school year will be given full seniority credit for the period worked. Members who work less than 20 hours for greater than 50% of the school year will be given half seniority credit for the period worked. This includes any time spent on a paid leave of absence. (Names will be drawn from a hat in determining layoff when seniority is identical.)
6. The superintendent shall forward within 30 calendar days of execution of this contract and annually to the Association President a seniority list containing the names of all bargaining unit members. Such list shall include the seniority date of each member of the unit. If no challenge to the list is made by the Association within thirty (30) calendar days of receipt of the list, the list will stand as written.

7. Employees covered herein will receive thirty (30) calendar days' notice prior to layoff. Where possible, notification of a layoff for the subsequent school year will be provided by May 15.

8. Discretionary decisions of the superintendent and/or School Committee will be made after consulting with an Association representative. These decisions are final and binding. Only the procedures hereunder are subject to arbitration.

9. Recall rights:

a. Tutors with less than one (1) year of continuous service will not be entitled to recall rights. Any break in service of more than ninety (90) days, excluding those periods when school is not in session, will not be considered continuous service. An approved leave of absence granted by the School Committee does not constitute a break in service, but does not count towards seniority.

b. A tutor who is laid off hereunder and is eligible for recall will be placed on a recall list for twenty-four (24) calendar months. The recall will be to the position from which the employee was laid off or to an equivalent position.

c. Recall shall pertain to both employees laid off and involuntarily transferred into a given position.

10. During the recall period, employees shall be notified by certified mail to their last address of record and given preference for positions for which they are eligible as defined in 9b, as they develop in the inverse order of their respective layoff. All benefits which an employee was entitled to at the time of the layoff shall be restored in full upon reemployment with the recall period. Preference will be valid for no longer than fifteen (15) days after the mailing date of the notice. During the recall period, employees who have been laid-off shall be given preference on a substitute list as they so desire.

11. Laid off employees who are eligible for recall may continue the group health and life insurance coverage at their own expense consistent with the town's policy for laid-off employees.

IX. TUTOR EVALUATION

Tutors will be evaluated annually by their principal or program coordinator. They shall be evaluated exclusively according to their job descriptions and the evaluation instruments and nothing else (See Appendices A, B and C).

X: EMPLOYMENT SECURITY

A. Tutors employed for less than three years may be non-renewed by the principal or superintendent. Such nonrenewal is not subject to the grievance and arbitration process outlined in Article III.

B. Tutors employed for three years or more may be dismissed by the principal or superintendent for good cause. Good cause shall mean any grounds put forth by the principal or superintendent that are not arbitrary, irrational, unreasonable, or in bad faith or irrelevant to the sound operation of the school system. The arbitrator must use the definition of "good cause" as defined herein in determining whether the dismissal met the good cause standard. Timely written documentation of the incidents that led to the dismissal shall have been presented to the tutor within a reasonable period of time after the occurrence or of the administration's knowledge of the event. Such documentation shall include, but need not be limited to, any relevant evaluations. If there is no compelling reason to do otherwise before dismissal, the employee shall be given a hearing and an opportunity to correct the complained behavior.

XI. SMOKE-FREE SCHOOLS

Effective September 1, 1994, the Westborough Schools are smoke-free.

XII. AGENCY SERVICE FEE

A. Commencing on September 1, 2011, all employees who are members of the bargaining unit shall be required as a condition of their employment to pay an agency service fee unless they become members of the Association within thirty (30) days. Said fee will be in an amount determined in accordance with all state and federal laws and regulations, and shall reflect the costs of collective bargaining, contract administration and other permissible charges except that in no case shall the fee be greater than the annual combined dues of the Westborough Tutors' Association, the Massachusetts Teachers' Association and the National Education Association.

B. The collection of the fee shall be solely the responsibility of the Association, and the School Committee shall not be responsible for the implementation, collection or enforcement of the fee, except that it will supply, on demand, any required documentation to establish that an individual refusing to pay is a member of the bargaining unit.

C. Any Unit member who chooses not to join the Association or pay the Agency Service Fee will contribute to the Westborough Tutors Association Scholarship fund an amount equal to 90% of the NEA, MTA and WEA dues for that school year. If payment is not received by January 31st the individual loses the right to exercise that option and must pay full dues or the Agency Service Fee.

D. The sole remedy available to the Association to enforce payment of the fee shall be to proceed to court for collection of the fee. The Committee will not be required to take any action regarding the employment status of an individual who refuses to pay the agency service fee. The Association will not institute or process any agency service fee collection procedure against tutors who work less than half time.

E. The Association shall save harmless and indemnify the Committee from any damages and legal fees arising out of compliance with this provision, provided that the Committee will agree to an attorney selected by the Association to represent the Committee against any and all

claims made and against any lawsuit initiated against the Committee on account of this provision. Failure of the Committee or its agents to cooperate with the Association or its attorney shall relieve the Association of any obligation under this section.

XIII. DURATION

A. This contract shall remain in force until 30 June 2017 and the signature of the current President of the Association and the current Chairman of the Committee will appear on said contract, with the date that the contract is signed. It may be amended by the agreement of the same parties who have been identified in the RECOGNITION CLAUSE of this contract. It will be renewed automatically for a period of one year from the expiration date each year unless one of the parties will have notified the other at least sixty (60) days before the expiration date that it will not accept renewal.

B. This contract is a complete contract between the parties covering all subjects of bargaining for the term hereof. The Committee shall not be under any obligation to negotiate with the Association any modifications or additions to this contract which are to become effective during the term hereof.

C. In the event that agreements are mutually reached on a voluntary basis between the Committee and the Association, they will be reduced to writing, will be signed by the Committee and the Association and will become an addendum to this contract.

XIV. SAVINGS CLAUSE

If any provisions of this Agreement or any application of the Agreement to any employee or group of employees will be found to be contrary to law or regulations, then such provision or application will not be deemed valid and subsisting, except to the extent permitted by law or regulations, but all other provisions or applications will continue in full force and effect.
