Dear Parent/Guardian:

Based upon local census data, we believe you have a child who will be 5 years old on or before September 1, 2019 and is therefore eligible to enter our kindergarten program in the fall of 2019. We are excited to meet your child and provide him or her with an exceptional educational experience. All 2019-2020 kindergarten students must be registered by February 28, 2019.

The Westborough Public Schools provides a free half-day kindergarten program from 8:50 am to 11:55 am and a tuition-based full day option from 8:50 am to 3:05 pm. The half-day and full-day students are placed together in the same classroom during the morning. When the half-day students go home the full-day students continue to work with the same teacher. The full-day program allows more time for academics, inquiry, and exploration and will better prepare students for first grade.

If you would like to register your child for Kindergarten, please read the guidelines below. After reading the guidelines, please go to our registration website located at: www.westboroughk12.org and click on "For Families", then select "Registration – Kindergarten Registration", and follow the steps listed there. If you do not have internet access please call Donna Latraverse (508-836-7700 ext. 2024) for assistance.

If you need before and after-school care we encourage you to contact the Westborough Community Education Program (WCEP). You may learn more about the Extended Day Program by calling 508-836-7765 or by accessing the WCEP website at www.westborough.org (at the top of the page click District Departments; then Community Education Program).

If you have any questions regarding the registration process or our kindergarten program, please contact your child's school at the numbers listed below or my assistant, Donna Latraverse (508-836-7700 ext. 2024 or latraversed@westboroughk12.org).

Sincerely,

Daniel Mayer
