

## **2015-2016 School Committee Goals**

1. Support the implementation and assessment of the district's Long Range Strategic Plan.
2. Develop a school budget guided by academic excellence and emotional well-being for all students and the financial ability of the Town of Westborough.
3. Remain attentive to student enrollment growth and appropriate space planning, while maintaining transparency and collaboration with other town boards and the community at large.
4. Provide responsive and pertinent communication to state and local government officials, school staff and families, and the Westborough community to promote trust and collaboration.
5. Use technology efficiently and effectively, including transferring all communication to Google Platform.
